

# 98.6°

## TEMPERATURE STATION

# BE SAFE

Take your temperature and  
document the thermometer readout.  
Make certain you're not running a fever  
before joining your coworkers.

# STAY COOL

Wash your hands.  
Avoid touching...  
eyes, nose or mouth

Keep your distance  
(at least 6')

# 6'

Two orange triangles pointing towards the number 6, one on the left and one on the right, emphasizing the distance.
